INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with the provisions of 37 C.F.R. §§ 1.97 and 1.98, applicant and his attorney respectfully request that the following patents and publications be made of record in the official United States Patent and Trademark Office file relating to the above-identified patent application. The citation of the following patents and publications should not be construed as an admission that they constitute statutory prior art with respect to the present invention. In compliance with 37 C.F.R. § 1.98, copies of the foreign patent publication and non-patent publications are enclosed.

U.S. Patent Nos.

3,784,023

Cover Sheets and Page 63

The above-listed patents and foreign patent publication were cited in an International Search Report¹ issued in connection with applicant's corresponding International Patent Application (i.e., International Patent Application No. PCT/CH04/000319). Attached hereto is a copy of the International Search Report which provides an indication as to the relevance of these references perceived by the European Patent Office. The non-patent publications are discussed within the "Prior Art" section of the specification of the present application.

While an English language translation of German Patent Publication No. DE 24 39 143 A is not presently available, applicant's attorney notes that it was cited in the aforesaid International Search Report. Upon the Examiner's request, applicant's attorney will submit an English-language translation of German Patent Publication No. DE 24 39 143 A.

In the foregoing circumstances, no further comments concerning the relevance of the foregoing patents and patent publications with respect to the patentability of the present invention are deemed necessary.

¹ The attached Search Report also identifies U.S. Patent No. 3,322,288 (not listed above). U.S. Patent No. 3,322,288 was cited by the Examiner in an Office Action mailed June 27, 2006.

In order to facilitate the Examiner's citation of the patents and publications listed above, applicant's attorney has completed United States Patent and Trademark Office Forms PTO/SB/08A and PTO/SB/08B. The completed Forms are attached hereto for the Examiner's convenience.

A fee of \$180 is believed to be due in connection with the submission of this Information Disclosure Statement. Applicant's attorney hereby authorizes the Examiner to charge this \$180 fee to Deposit Account No. 503571. If any additional fees are due, including extension and petition fees, the Examiner is hereby authorized to charge them to Deposit Account No. 503571.

Respectfully submitted,

McCARTER & ENGLISH, LLP
